## REPORT ON ENGINEER'S DAY CELEBRATION

**Date:** 15/09/2023

**Duration:** 1 Day

**No. of Students Participated:** 22

**Faculty Coordinators:** Dr Rakesh Bhadani

National Engineers' Day in India is celebrated every year on September 15 to commemorate the birth anniversary of Sir Mokshagundam Visvesvaraya, a renowned Indian engineer and statesman. In the field of engineering, Sir Visvesvaraya was a pioneer who significantly influenced the growth of India's infrastructure.

He was instrumental in the development of dams, irrigation networks and other projects. On National Engineers' Day, we celebrate his legacy and the significant contributions that engineers have made to India's development and modernization. It serves as a reminder of the importance of engineering in the growth and development of the country.

A celebration conducted in our college also on September 15, 2023 on Friday. The whole function was planned by Dr. Rakesh Bhadani with faculty co-coordinators. We organized two competitions. 1. Poster Presentation and 2. Model Demonstration. In this Total number of participates in engineer's day are 22 Students has participated all activities for each semester from 09:00 a.m. to 1:15 p.m. We appointed three faculties for each segment to rank of presentation and demonstration respectively.

All other non-participated students were also enthusiastically attended the event. Winner participate securing 1st, 2nd and 3rd rank are appreciated by giving Certificates.
