**REPORT ON
TEACHER'S DAY CELEBRATION**

Date: 05/09/2023

Duration: 1 Day

No. of Students Participated: 15

Faculty Coordinators: Dr. Rakesh Bhadani

Teachers' Day is a special day for the appreciation of teachers, and may include celebrations to honor them for their special contributions in a particular field area, or the community in general.

The idea of celebrating Teachers' Day took root in many countries during the 19th century; in most cases, they celebrate a local educator or an important milestone in education (for example, Argentina has commemorated Domingo Faustino Sarmiento's death on 11 September since 1915, while India traditionally celebrates Guru Purnima, an Indian and Nepalese festival dedicated to spiritual and academic teachers which is celebrated on the full moon day (Purnima) in the Hindu month of Ashadha (June–July) as it is known in the Hindu calendar of India and Nepal.

The birthday of **Dr. Sarvepalli Radhakrishnan (5 September)** is also celebrated as Teacher's Day in India since 1962. This is the primary reason why countries celebrate this day on different dates, unlike many other International Days.

A celebration conducted in our college also on September 5, 2023 on Tuesday. The whole function was planned by Dr. Jayvir Shah with faculty co-coordinators. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers.

As per the Indian culture, we always start our work with prayer. In total, 15 Students took part in role play activity. In addition to teaching, students also prepared the time table and took up administrative responsibilities as well. On this day, our teaching was started as usual on 09:00 a.m. All the students in role of teachers who had no lectures they had seated in staff room which is in respective class. Principal and Head of the department was also chosen. They were given a separate cabin. Lectures conducted by the students were arranged in form of competition. So, all the faculty members were in the classroom as judge for the teaching of the students. All other non-participating students were also studying seriously without making any noise or mischief.

The best performers were ranked from 1 to 3 and were felicitated with certificate of appreciation in closing ceremony held from 2 p.m. to 3 p.m. on the same day. The function ended with cake cutting by teachers of institute which was arranged by students.
