**REPORT ON  
WOMTECH-2K24 CELEBRATION**

**Date:** 07/03/2024

**Duration:** 1 Day

**No. of Students Participated:** 55

**Faculty Coordinators:** Mr. Deep Chauhan

International women's Day is a day dedicated to celebrating the social, economic, cultural, and political achievements of women. In colleges, it's a time to acknowledge the contributions of female students, faculty, staff, and alumni to the academic community.

World Science Day highlights the importance of science, technology, and innovation in addressing global challenges and improving people's lives. Colleges celebrate this day to emphasize the role of education in advancing scientific knowledge and fostering critical thinking among students.

In our colleges celebrate International Women's Day and World Science Day to recognize achievements, promote inclusivity and gender equality, highlight the importance of education and scientific research, and inspire the next generation of leaders in various fields, including STEM. These events contribute to creating a more diverse, equitable, and vibrant academic environment.

A celebration conducted in our college also on 7<sup>th</sup> March 2024 on Thursday. The whole function was planned by Mr. Deep Chauhan with faculty co-coordinators. We decided that, on this day we conduct various events like Debate competition, Quiz competition, Reels making on women's day, Model Demonstration, power point presentation completion, Evolution speech. For each event we give topic to students on women's day and science day celebration base.

The best performers were ranked from 1<sup>st</sup> to 3<sup>rd</sup> on basis of each event were felicitated with certificate for appreciation and all events are judged by our faculties then in closing ceremony held from 2 p.m. to 3 p.m. on the same day. The function ended with cake cutting by teachers of institute which was arranged by students.
