## CIRCULAR

### Institution - Industry Cell

As per the All India Council for Technical Education APH Appendix 6 an Institution - Industry Cell is being formed. The main function of the Cell is to promote closer interaction between the academic field and the professional field. Industry Institute Interaction Cell is established to provide closer links with industries. The purpose of the cell is to find out the gap between need of the industry and end product of the institute. The cell is the bridge between the industry, the real world and the institute. Industrial exposure of Faculty is very much helpful to guide students about latest industrial practices. Industries are able to know recent developments and inventions in their fields and implement projects for technologically driven economy.
