The SC/ST Students Cell addresses academic and non-academic issues and complaints of students from reserved categories. The institute strives to maintain an environment where all communities can participate in academic and extracurricular activities without any sort of discrimination with respect to caste or creed. In order to maintain such an atmosphere, the SC/ST student's cell is responsible for sensitizing the campus community about the importance of having diversity.

The cell aims to ensure that anti-discrimination laws in the context of caste and creed are followed.

The cell is where any complaints about discrimination and/or harassment are to be brought up. We encourage victims to feel free to write to the following email address. The cell strives to ensure that anonymity is maintained throughout the investigation.
